Athletes benefit from properly trained team staff; therefore team staff are required to meet minimum standards in education and performance.

APPLICABILITY

- Ringette Saskatchewan sanctioned activities:
 - Programs delivered directly by Ringette Saskatchewan
 - League, exhibition, and tournament games
 - Team training (on-ice and off-ice)
 - Specialized athlete development programs (power skating, goaltender training)
 - Ringette Saskatchewan Provincial Playdowns and Championships

COACH REQUIREMENTS

All individuals on a team staff roster as a “coach” (head, assistant, or junior) must have completed all coach training/certifications (as per [Appendix A – Coach Certification Requirements Chart](#) and [Appendix B – Junior Coach Certification Requirements Chart](#)) by December 31st of the current playing season. Failure to complete the certification requirements by the December 31st deadline will result in the offending coach being removed from their team staff roster, and consequently will not be allowed to participate in any Ringette Saskatchewan sanctioned activities as listed above for the remainder of the season, or until all certification requirements are completed.

Ringette Saskatchewan does not differentiate between Head Coaches and Assistant Coaches. Head Coach certification requirements are applicable to all coaches (with the exception of Junior Coaches). All coaching clinics and modules must be attended in full to obtain certification.

Coach Certification Requirements can be found in [Appendix A](#) of this document. Junior Coach Certification Requirements can be found in [Appendix B](#) of this document.

All coaches are required to have or adhere to the following:

- Must be duly registered with their local association and Ringette Saskatchewan
- Must adhere at all times to the Rule of Two. Ringette Canada and Ringette Saskatchewan require that there always be two screened and NCCP-trained or certified coaches with an athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of the second coach except for medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP-trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.
- Must follow their local association’s screening policy (Criminal Record Check, Vulnerable Sector Check, etc.)

Deadline to complete all coaching certification requirements is December 31 of the current season.
