Date: February 4, 2022

RE: Ringette Saskatchewan U14B, U16B, U19B, 18+B/C Provincial Championship's Opening Ceremonies and Skills Competition

As always Ringette Saskatchewan has the health, safety, and well-being of our members as its top priority; therefore, Ringette Saskatchewan regularly re-evaluates its decisions based on the best information available.

The current recommendation from the Saskatchewan's Chief Medical Health Officer is to refrain from organising large indoor gatherings; therefore, Ringette Saskatchewan has decided it will not host an opening ceremony or skills competition at the 2022 U14B, U16B, U19B, and 18+B/C Provincial Championships set to start February 25, 2022, in Saskatoon.

Ringette Saskatchewan understands the decision to cancel the opening ceremony and skills competition will come as a blow to players, coaches, and parents. However, Ringette Saskatchewan believes it is prudent to follow the Chief Medical Health Officer's recommendation to ensure the Championships are played without disruption and to protect the health, safety, and well-being of the members in attendance.

Please continue to visit our Covid-19 Resource hub that will hold all information and tools related to returning to ringette <http://www.ringettesask.com/covid-19-resource-hub/>.

We are deeply committed to you and your safety.

Sincerely,

Michael Smith, Executive Director
