THE RINGETTE ASSOCIATION OF SASKATCHEWAN

Our Vision

Ringette is the most popular sport among females in the province because it is an inclusive community focused on athlete-centered programming, the growth and development of athletes, and the development of future leaders

Our Mission

Ringette Saskatchewan governs, promotes and develops Ringette for all athletes, coaches, officials and Associations providing leadership that fosters a positive sport experience, lifelong participation, and opportunities for the pursuit of excellence.

Our Values

- Teamwork:** We believe in working collaboratively in the spirit of good sportsmanship
- Athlete-centered:** We support our athletes and strive to provide them with a positive and fun experience
- Excellence:** We believe in the pursuit of excellence at all levels for all athletes, coaches, officials, volunteers and staff
- Honesty:** We are open, transparent and accountable for what we do
- Respect:** We respect and trust each other as individuals and we respect the sport and our organization
- Fairness:** We are inclusive and supportive and believe in fair play in everything we do

Ringette Saskatchewan Executive Director – Ruchelle

To Ringette Saskatchewan Ringette Association (RAS) Membership, Stakeholders, Partners, and Supports,

On behalf of Ringette Saskatchewan I want to express my sincere thanks for your dedication to the game. Overall, this past year we had many successes to be proud of. We entered the year with a new Strategic Plan 2017-2020 that focuses on six strategic priorities – Athlete Development, Coaches Development, Officials Development, High Performance Programming, Marketing and Promotion, and Organizational Excellence. RAS is continuing to strive to create the best environments with systems that serve our participants better by ensuring all of our decisions are athlete centered with our mission, vision, and values at the forefront.

RAS has been striving and focusing on critical skills and tools to enhance our collective effort to reflect our preferred future state. One of the critical skills we have focused on is alignment with Sask Sport Inc, Ringette Canada, and other Ringette Provincial Governing bodies. We understand having system alignment and a collective overarching- vision while also honoring unique approaches is critical for our organization to reach our purpose and primary objectives.

Another critical skill and tool we continuously worked on enhancing this year was self- evaluation. We armed ourselves with information to analyze performance against established standards. Our belief is fostering a culture of self-evaluation so we stay relevant and are in tune with the changing landscape of sport and our sport ringette.

Lastly Ringette Saskatchewan strived and will continue to strive with our openness to change, adaptability, and innovation. Our perception is in order to evolve we must emerge with a willingness to adapt and change so we can continue to make ringette the most popular sport amongst females. Ringette Canada's Competition Review of 51 recommendations is going to help support us in this endeavor as well.

Ringette Saskatchewan is gaining exposure and we can see how much we have evolved and how many more new opportunities are becoming available with the hard work we have all collaboratively done in our Province for our sport. The Board and Staff are committed to working with our Membership to grow partnerships to enhance our profile, unite our members in alignment, and to grow our sport in Saskatchewan.

Ringette Canada's Agnes Jacks True Sport Award UI6AA Team Saskatchewan/ Saskatoon Selects

This award is designed to highlight the differences teams are making within our sport and to celebrate these special moments. The purpose of the Agnes Jacks True Sport Award is to encourage participants to play as a team, display team spirit and team discipline. Further, this award is to promote the highest standard of sportsmanship and camaraderie among players

Ringette Canada's Toughest Competitor UI6AA Keala Fleury

The toughest competitor is awarded based on athletes casting their votes on who they thought was the toughest competitor in their division.

Organizational Highlights

Players

- Athletes Participating in Provincials was: A/AA 198, B 225 for a total of 423
- 51 athletes came to try out for Canada Winter Games (CWG)
- Canada Winter Games team selected in May with 18 athletes
- Sanctioned total 10 tournaments
- \$2500 in High Performance Funding was used for A/AA teams

Coaches

- 62 coaches received training in 4 CSI clinics
- 42 coaches received training in 3 CI clinics
- 2 coaches completed Competition Development certification
- Ringette Saskatchewan was selected as one of the successful candidates for the Women in Coaching Apprentice Coach Program (WIC) for the 2019 Canada Winter Games. The Coaches Association of Saskatchewan (CAS) and Team Sask selected Mel Brockman for this position

Officials

- Level 1/Level 1 Refresher Clinic - 34 officials received training in 2 clinics
- Level 2-4 Refresher Clinic – 45 officials received training in 4 clinics
- Instructor Training Clinic – 6 officials received training in 1 clinic
- A/AA Provincials we had 7 officials attend plus 1 official supervisor
- B Provincials we had 9 officials attend plus 1 official supervisor
- 62 evaluations were done this year
- \$2600 was given back to officials from RAS high-performance official grant
- 3 officials attended Westerns and 2 officials attended as official supervisors
- 1 official was selected to attend Nationals and 1 official was selected to attend Nationals as an official supervisor

Organizational Highlights *continued...*

Organization

- RAS has fully aligned with Strategic Operations and integrated Strategic Operational Work Plans guiding activities and directions, which align with our strategic Plan as well as Ringette Canada and SaskSport Inc. directions
- Strong fiscal management and oversight led to another clean audit and a surplus was achieved which allows us to invest in the growing game
- Had a RAS Conference that invited all board members, coaches, officials, and stakeholder. Ringette Canada, Ringette Alberta, and Wayne Hellquist from Future Quest were our guest speakers. We addressed the importance of women in coaching positions, Governance, Ringette Canada Competition Review, and had a coaching activity lead by Donnell Schoenhofen and Mel Brockman – 30 people were in attendance.
- RAS awarded Map Funding of \$41,200 to our four associations

Marketing/Promotion

- Partnered with the Saskatchewan Physical Education Association (SPEA) for the second year- we are now on SPEA's resource page with Gym Ringette resource for teachers and our Come Try website <http://www.speaonline.ca/online-partner-resources.html>
- Invested in tangible products for our Provincial Championship- each athlete received a RAS hat and skill awards received an RAS pop socket to increase RAS brand awareness
- Invested also in tangible products such as table cloths and car decals also to increase RAS brand awareness
- Had 2M Marketing at both Provincials selling approved clothing with our logo
- Our online store through Entripy received a rebate of \$586.73
- Social Media outlets- Facebook and Twitter are active and people are engaging
- Facebook contest we received on great video – looking at changing the date so look for that in the near future. RAS owns the rights to this video so anyone wants to use it for promotion of the game please ask as it's a great video and can be a great tool

Growth Comparison from 2013-17

Mel Brockman from Saskatoon Ringette has provided Ringette Saskatchewan with growth comparison information for Buffalo Plains, Regina, and Saskatoon for the years 2013-17. This analysis shows a comparison in registrations, growth trends, and division's numbers overtime. We think this information is something our Members and Associations need to look closely at so we have provided the document for everyone's viewing on our website at: <http://www.ringettesask.com/about-us/agsm/>

Thanks again for all that work Mel!

The Strategic Priorities of the 2017-2020 Strategic Plan

Strategic Priority: Athlete Development

Objective: To develop athletes who are able to execute the skills applicable to their developmental status and to reach their full potential in the stream that aligns with their interest and skill level.

Strategic Priority: Coaching Development

Objective: To develop confident, competent athlete-centred coaches at all levels.

Strategic Priority: Officials Development

Objective: To recruit, develop, advance and retain officials of all ages at all levels.

Strategic Priority: High Performance Programming

Objective: To develop and implement a program that supports the training of Pursuit of Excellence athletes, coaches and officials.

Strategic Priority: Marketing and Promotion

Objective: To increase awareness of Ringette along with sport and brand visibility to attract new players and grow the sport.

Strategic Priority: Organizational Excellence

Objective: To provide effective and professional leadership, governance and sport administration, contributing to the advancement of Ringette in Saskatchewan.

RAS Associations President Reports

Saskatoon Ringette Association President-Kimberly Brown

The 2017-18 season was another great year for the Saskatoon Ringette Association (SRA). Registration numbers were up slightly from last year with 487 players. With a combined total of nearly 100 players in Learn to Play and U8, and a record of 7 teams in the U10 division, player recruitment remains strong. The Come Try Ringette and Learn to Play programs in Saskatoon and Warman continue to be the core pillars of SRA's recruitment efforts. SRA also continues to support the growth of ringette in Warman. With strong numbers in U8 and U10 this past season, the community of Warman had one U8 and three U10 Warman-based teams.

The SRA Board kicked off the year with a strategic planning session in May 2017. Through this exercise, the Board identified key areas of focus – Athlete Development, Coach Development, Organizational Excellence and Marketing – and long-term objectives to help recruit, develop and retain players.

SRA continued to refine programs to support athlete development, including power skating, goalie development, a U12 development program (in partnership with Canlan Ice Sports), the incorporation of cross-ice games and right-sized nets, and jamboree events for our U8 and U10 players. Due to SRA's work and recent experience in implementation LTAD principles at the local level, our VP of Athlete Development, Mel Brockman, was invited by Ringette Canada to participate in a working group for the development of a national Children's Ringette program and was asked to provide feedback on Ringette Canada's Competition Review and Restructuring Report. SRA will continue to actively engage with partners and ringette associations at the local, provincial and national levels to share and learn from one another to support the growth of ringette in Saskatchewan and across Canada.

I would like to thank Brenda King in the SRA office and Ringette Regina for their co-operation, patience and flexibility in piloting an interlocking schedule to increase meaningful competition opportunities for our competitive teams. SRA looks forward to working together in the future for the mutual benefit of our athletes.

SRA also completed a comprehensive review of SRA's Constitution and Policies, Rules and Regulations. The SRA Board enlisted the help of McDougall Gauley LLP to update SRA policies, resulting in a more robust, clear and consistent set of bylaws (to replace the SRA Constitution) and policies (to replace SRA's Policies, Rules and Regulations). I am confident this work will help strengthen SRA's governance, operations and service to our members going forward.

SRA hosted our flagship tournaments – the Bernadette Price Memorial Tournament and the City of Bridges Tournament – both of which were successful. Many thanks to Aaron Norum and Carrie Ducharme - our tournament board members - and countless volunteers for their hard work in making these two events possible.

RAS Associations President Reports

Saskatoon's Dwayne Andreen, one of Saskatchewan's foremost promoters and builders of the sport of ringette, was honoured as an inductee into the Ringette Canada Hall of Fame in the Builder category at the Bernadette Price Memorial Tournament. Thank you to Ringette Saskatchewan and Ringette Canada for their support in helping us celebrate Dwayne's accomplishments and contributions to ringette. Being able to honour Dwayne before his passing in August 2018 after a brave battle with cancer was very special for Dwayne, SRA and the members of our ringette community

In March 2018, the communities of Saskatoon and Warman hosted the Western Canadian Ringette Championships (WCRCs), bringing 25 teams from across western Canada to compete and showcase the sport of ringette. I would like to acknowledge the members of the WCRC

organizing committee for all their hard work over the past year in making this event possible and making SRA proud. Chair, Jodi Lorenz, her team of volunteers, and the over 140 SRA volunteers demonstrated how passionate our members are about ringette and making a truly memorable experience for athletes. I would also like to thank Ringette Saskatchewan and the Western Canadian Ringette Championship Committee for their support and efforts in making this a successful event.

I would like to express my gratitude to all the board members for their time and energy in supporting all the work of SRA, including our Commissioners (Chris Mawson – U8, Melissa Pardy – U10, Christie Topping – U12, Jenny Degagne – U14, Rochelle Penman – U16, and Amy Pederson – 18+), Tournaments (Aaron Norum and Carrie Ducharme), Fundraising (Wade Obst), Equipment (Shannon Hahn), Marketing and Communications (Michelle Corraei and Gary Banerd), VP of Discipline (Chris Thiessen), VP of Coaching (Rachelle Zapisocki), and VP Athlete Development (Mel Brockman). Thank you to Brenda King for her hard work and support in the Office.

Finally, thank you to all the coaches, managers, trainers, referees, parents, volunteers and, of course, the players for your passion and dedication to our sport!

RAS Associations President Reports

Regina Ringette President – Jayda McMillan

The 2017/18 season was great for so many reasons. So many of our Regina teams were successful in tournaments all across the Prairies!

Although our membership numbers did not increase this year, our number of teams did. This was due to having smaller teams in a couple of divisions. While it is our preference to have teams that have around 13 players (based on cost vs registration fees per player) we also realize that having more than 13/14 players on the teams in younger divisions may be detrimental to the development of individual players.

Our biggest challenge is retaining players in the divisions after U14. This seems to be the “drop-off” age. I am confident that Regina Ringette will continue to grow, and we will work to find ways to keep the teenagers engaged in the game so that they will continue to play.

The Learn to Play program continues to be successful. The Buffalo Plains Association and Regina Ringette Association operated the LTP programs independently this year and this went well. Once again, the program was full.

We implemented full time use of Right Sized Nets in U9 and U10 this season. We did have some push-back and not everyone agrees that this was the right decision, but we believe this was very beneficial to the development of the players. We will be continuing with this initiative.

RRA has offered goalie clinics available to all RRA goalies at no cost. We also invited BPRA goalies who were interested, at a cost to their association (not the player). We initially intended for these to occur in the first half of the season, but there was enough interest that we carried them over through the entire season. Teams were scheduled to share the ice during goalie clinics, and they were expected to be the shooters. Teams were not charged for this ice since they were there to help the goalies.

For the last couple of seasons, we have had experienced goalies come out for sessions with all of the U9 teams and show them basic goalie skills such as how to hold the stick and where to stand in the net. This has taken away the fear of the position that many new young players have since they are equipped with basic knowledge of what to do when it is their turn in the net. We have found that this has helped to create more interest in the goalie position and believe that it is helping to develop future goalie stars!

In addition to the goalie camps, we have continued to provide credit vouchers to goalies who play full time and provide their own equipment. At the end of the season, a credit voucher is issued to the goalie that can be used to register for the following season. These are only redeemable within RRA and are not refundable. The purpose is to keep the goalies in the sport. Essentially, a goalie could pay for one year of ringette and play for multiple years. The intention is to retain the goalies for as long as possible, and while we realize that the cost may not be why they leave the sport, we hope that the initiative will contribute to the retention.

RAS Associations President Reports

RRA hosted a tournament in November for the A and AA teams in U16 and U19. The goal was to have five teams in each division of U16AA, U19A and U19AA. The focus was on these divisions because we have struggled to draw teams to our tournaments in these divisions for the last few years. We were elated to host four teams in both U16AA and U19A. The Open A teams in Regina and BP were invited to compete with two U19AA teams. I am confident we will see more teams attend this tournament this year.

For the past two years the RRA Board has awarded Coaching awards for to coaches in each division within RRA, based on evaluations received from the players/parents as well as feedback throughout the season. We also asked some of the referees in the league to select a coach who they felt was a good example of a fair coach, one who was respectful of the referees, players and opposing teams. And lastly, we presented an award to the “Referee of the Year”. The selection was made based on feedback that was received by the commissioners or other board members throughout the season from players, parents and coaches. The “Coaches of the Year” were selected based on feedback throughout the season and nominations that were received via the Coaches Evaluation.

The following awards were presented at our Volunteer Appreciation Party in March:

U9 – Scott McBeth – Chaos

U10 – Brad Wenger - Riot

U12 – Devin Trembley - Nitro

U14 – Tobi Duck – Predators

U16/U19B - Andrea Weston – ICE

A/AA – Tracey Phaneuf – U16A Ringers

R.O.A.R “Ref’s Choice” – John Foord – U19B Rebels

Referee of the Year – Breanna Beals

We believe it is important to recognize the hard work that the coaches are putting into the sport. We also hope that by presenting these awards it will remind coaches and refs that there is always someone watching them, and therefore motivate positive behaviour on and off the ice.

RAS Associations President Reports

Buffalo Plains Ringette

President – Paul Kozan

The following report hits some of the high level information from our Association last season. For a more detailed report you can request a copy of the AGM Board Report.

1. Financial

The Association managed a small surplus this past season which will be used to maintain a prudent reserve fund and invest back into the development of the sport and the members of our Association.

2. Registration

The Buffalo Plains Ringette Association had 290 ringette players registered for the 2017/2018 season. This is an increase of 2% from last year's total of 285. There were 52 new ringette players this year in our association compared to 56 new ringette players last season. The registration breakdown by division is as follows:

Division	# of teams	New Registrants	Returning Registrants	Total Registrants	2016/17 Comparison
Learn-to Play	N/A	26	3	29	35
U8 (Bunnies)	4	14	33	47	45
U10 (Novice)	4	9	44	53	55
U12 (Petit)	3	2	35	37	27
U12 A (Petit)	1	-	13	13	13
U14 (Tween)	1	1	12	13	12
U14 AA (Tween)	1	-	15	15	15
U16 (Junior)	1	-	13	13	-
U19 (Belle)	-	-	-	-	14
	15	52	168	220	216
U19+ (Open)	4	-	70	70	60
Grand Total	19	52	238	290	285

For the 2017/2018 season registrations fees remained unchanged from the previous season and currently sit at \$210 for Learn-To-Play, \$325 for new registrants and \$650 for returning registrants.

The projections for the 2018/19 season are as follows:

Division	Projected # of Registrants
Learn-to Play	
U8 (Bunnies) - 2011 & Younger	54 (28 & 26)
U10 (Novice) - 2009 & 2010	46 (20 & 26)
U12 (Petit) - 2007 & 2008	59 (30 & 29)
U14 (Tween) - 2005 & 2006	37 (13 & 24) **
U16 (Junior) - 2003 & 2004	18 (9 & 9) **
U19 (Belle) - 2001 & 2002	N/A

RAS Associations President Reports

- Preliminary projections for next year's registration is based solely on players playing within the age division of their birth year.
- The projection was also adjusted to exclude any existing players who played on the U14AA Rush team that have a Regina address and any BPRAs players who played on the U14A Roar team in Regina this past season.

3. Coaching Development

Notes from the 2017/2018 season:

In our U8 to U16 groups this season we had 15 Head coaches and 56 assistant coaches coaching in the Association with a great deal of experience from returning coaches and a few new coaches coming in to the association.

- Increase in new coaches due to increased number of Assistant coaches this year. Excellent to see the new coaches coming in to support the growth of the sport.
- We were able to accommodate the mandatory female coach on the bench easily and therefore will keep funding.
- 7 out of 15 teams had a female head coach. An increase of 2 from last year

Per Ringette Canada's requirements, all U12A and all U14 and up coaches completed the Competition Introduction clinic this season.

With support from Ringette Association of Saskatchewan, at least one coach from each team was asked to participate in a specially designed goaltenders coaching clinic. Our association made this a strong recommendation and we had compliance from all teams to have at least one coach certified to have completed this course aimed to enhance the overall experience for our goaltenders. We will continue to work at having coaches leverage the goaltender training materials provided to each team.

4. Tournaments/Special Events

The December Charge-Lou Gillespie Memorial Tournament

Tournament stats – Nov 30, Dec 1, 2, 3 2017

Division	Total Teams Entered
Bunny - U8	8
Novice - U10	14
Petite - U12B	12
Tween - U14B	8
Junior - U16B	4
U12A	4
U14AA	3
Total	53 For 2017 - (56 teams of which 4 teams only played 2 exhibition games each)

Division Total Teams Entered

For 2017 - (56 teams of which 4 teams only played 2 exhibition games each)

The Western Cup

-Members of the BPRAs were also key drivers of a new end of year event designed to give the U12A and U14A teams in SK a season concluding tournament. It was called the Western Cup and the event featured 8 teams from Alberta, SK and Manitoba and was held in early April. By all accounts the tournament was a big success and the Association is going to explore the possibility of supporting the tournament in a more formalized way moving forward.

RAS Associations President Reports

5. Player Development

Fall Skills September 23, 2017- October 1, 2017

6 sessions for each age group - U8, U10, U12, U14/16. Sessions were led by 5 instructors and supported by 11 instructors. Excellent turn out of junior instructors (12)

Skills plans were developed in advance and built on skill as the sessions progressed. The lead instructors worked collaboratively to ensure all participants were benefiting from the sessions.

Most of the payment was collected through the online registration, few participants payed with cheque at the time of the camp.

To note, the groups for U8/U10 were quite large in size. It may be beneficial for additional ice time to be secured for the 2018 season.

Over 100 athletes participated in the Fall Skills Camp

Spring 3 on 3 March 27th, 2018 - April 12, 2018

8 sessions for each group - 5 groups divided by age/skill - 2009/2010, 2008, 2007/2008, 06/07, 2000+

16 goalies

115 Skaters

2009/2010: 27 Skaters, 2 Goalies

2008: 25 Skaters, 5 Goalies

2007/2008: 25 Skaters, 4 Goalies

2006/2007: 21 Skaters, 2 Goalies

2000+: 17 Skaters, 3 Goalies
